

Egerton Rothesay School

'An Inspirational School where pupils thrive'

KS3/4 Science Teacher (0.8 to Full Time)

(Easter 2021)

We are looking to appoint a suitably qualified and enthusiastic Science Teacher. The position would suit a new or experienced teacher with enthusiasm and drive who would like to make a difference to our pupils who enjoy science but who often need additional support in small classes with needs such as dyslexia. For further details and application forms please visit www.eger-roth.co.uk

As vacancies are rare at ERS we would encourage a visit to the school, or an introductory phone conversation. ERS is not a special school but all pupils have SEN and progress to GCSE and other public examinations, before progressing to college and 6th Form schools. The double GCSE science course is taught as well as an iGCSE single science course.

For an application form, Job Description and Person Specification and further details about the school please visit www.eger-roth.co.uk. Please return the application form to e-mail: recruitment@eger-roth.co.uk

Closing date: February 22nd 2021

Egerton Rothesay School is committed to safeguarding children and successful candidates will be subject to a Disclosure & Barring Service check.
